

# **Hunting, Fishing, & Outdoor Recreation During the Current Government Shutdown**

**\*\*\*UPDATED Monday 27 OCT 2025\*\*\***

## **1.) Training areas released for recreation by Range Control will remain open during the shutdown.**

- Training areas /ponds will be available at a minimum until **Sunday, 09 November**.
- Recreational users should be aware that intensive military training activities are still occurring during the shutdown.

## **2.) Deer Harvest Records are no longer available to order until the shutdown ends.**

- If you purchased a deer harvest record for pickup prior to 01 OCT, they will be available for pickup during regular office hours.
- If you requested a harvest record to be mailed prior to 29 September, then you should receive those via mail.
- We apologize for the inconvenience, but we cannot produce or distribute harvest records due to furloughed staff.

## **3.) FSGA Deer Season framework changes are pending.**

- Deer hunters should visit the Season & Bag Limits and Check Station web pages on the iSportsman website once the shutdown ends.
- A new season framework will be posted with additional either sex dates and new check station dates.
